- Unlimited if you have membership
- \$20 without membership per use
- 12U must be accompanied by adult
- High School players pay \$10.

You must be a Stables Tennis Center Annual Subscriber to purchase the ball machine membership.

Tennis ball machines allow you to practice at your own pace. If you want to slowly correct and practice a stroke, you can do so without the patience of your hitting partner running out. If you want a workout, the machine will have you gasping for air. Not only can a ball machine feed balls hard and fast with topspin or underspin, they can be programmed to have you running around the court for singles or doubles!!

Tutorial with a staff professional prior to first use is recommended.
